

25TH INFANTRY DIVISION MEMORIAL

Honoring our Tropic Lightning Soldiers who served, and those who made the ultimate sacrifice, in World War II, Korea, Vietnam, Afghanistan and Iraq.

- Four Soldiers of the 25th Infantry Division gaze at the boots, rifle and helmet of a fallen comrade, the traditional symbol used by our regiments to honor their fallen at battlefield memorial services.
- Four life-size figures from the four combat periods of the 25th Division's history.
- Each of the Soldiers of Tropic Lightning history is cast in bronze.
- The Memorial will be located near the entrance to the Fernandez Hall, Headquarters of the 25th Infantry Division at Schofield Barracks, Hawaii. The Memorial will face the flag pole on Sills Field, so the gaze of the statues will carry beyond the fallen-comrade symbols to the flag of the United States of America.
- Generations of Soldiers not yet born will someday pass by this Memorial and ponder the sacrifices of those who have gone before to serve their nation in times of peril.
- Initial installation of the modern Soldier and traditional memorial symbols is scheduled for June 10, 2005. Final installation and dedication of the entire Schofield Memorial will be held in October 2006.
- Estimated cost of this Memorial is \$500,000. Won't you make a donation to honor those who paid for our liberty and our way of life with their sacrifices! Please review the donation and pledge options on the reverse of this page.
