Why Social Security Numbers? Since the events of September 11, 2001, we have furnished the Army with full legal names and SSNs of all reunion participants when reunion activities take place on Army posts. We also preassign seating on buses and provide the Army with bus rosters. This has allowed us to drive onto post without having to check the personal identification of each individual on each bus. This SOP has worked successfully for us at Schofield Barracks (2001, 2006, 2011, 2016), Fort Richardson (2009), and the Natick Soldier Support Center (2010). Should also work well at Fort Sill.

Reunion Registration includes admission to the Hospitality Room at the reunion hotel. Your registration fee also covers administrative costs including printed materials, namebadges, transportation and lodging for clerical support.

A Day at Fort Sill

Friday, Oct 6

Fort Sill's mission is to train artillery Soldiers and train them well. To do that, they are trained day and night to put "steel on target."

Fort Sill's three-pronged approach to training and preparedness makes it one of the best training posts in the Army. It is comprised of the Field Artillery School, the primary training facility for field artillery Soldiers and Marines worldwide; the Field Artillery Training Center, home of basic combat, one-station unit training, and advanced individual training; and is the largest field artillery complex in the free world.

Today, Fort Sill remains the only active Army installation of all the forts on the Southern Plains built during the Indian Wars and is the site of Geronimo's grave.
